CHORDS

Inversions: G/B, for example, indicates a G chord played over a B bass note. If playing single lines following the chords, you should play the bass note.

ATTRIBUTION

All tunes are traditional unless the composer is indicated.

SCORING HORNPIPES

It is not always possible to notate the rhythm of hornpipes or step-hops in an easy to read but accurate way.

One convention is to write them with plain quavers. They may then be played 'straight' or in dotted time or somewhere between the two.

Another convention is to write them in dotted time. However, they are not played strictly as written, but with a swing.

These hornpipes are played with this swing. They have been written with dotted quaver / semiquaver pairs but they should be played with a triplet feel.

So:

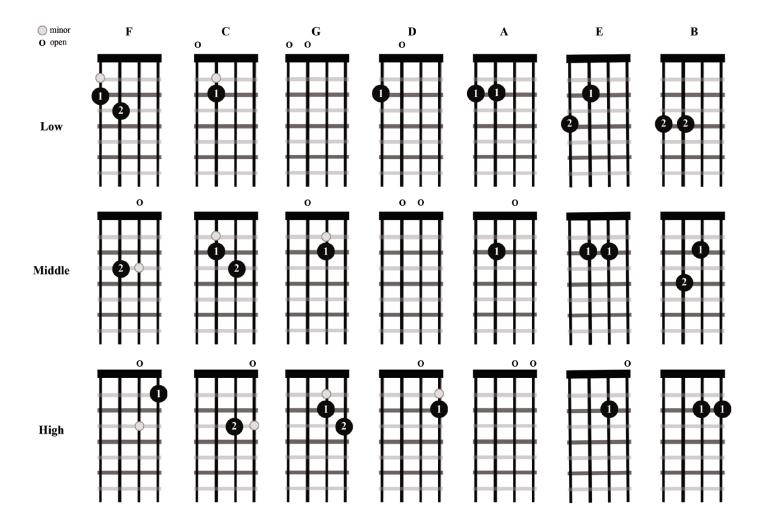

is played as:

The time signature for hornpipes is Cut Time which is like 4/4 but emphasises the two-to-a bar pulse.

HALSWAY CAROL

Music: Nigel Eaton Words: Iain Frisk

Lo for the tiding of the Long Night Moon Let the sunrise call about the morning soon Short is the biding of the fading light Sing for the coming of the longest night

North wind tell us what we need to know When the stars are shining on the midnight snow All of the branches will be turned to white Sing for the coming of the longest night

A winter day, the summer grass turned hay Frost in the field 'til the dawn of May A summer's light never shone as great or as bright So dance in the shadows of a winter's night Lo for the tiding of the Long Night Moon May the harvest last until the springtime bloom Home is our comfort at the winter's height Sing for the coming of the longest night

All of the colours of the sunrise sky Shine a light upon us, as the day goes by Sunsetting shadows fading out of sight Sing for the coming of the longest night

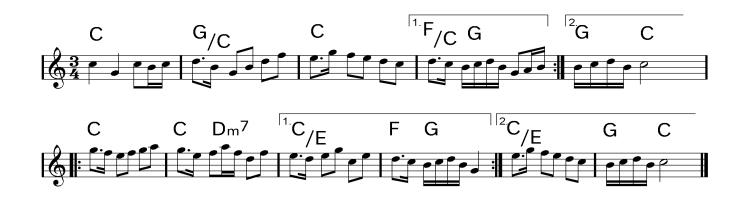

A winter day, the summer grass turned hay Frost in the field 'til the dawn of May A summer's light never shone as great or as bright So dance in the shadows of a winter's night

HAUL AWAY

When I was a little lad
And so my mother told me,
Way, haul away, we'll haul away Joe,
That if I did not kiss a gal
My lips would grow all moldy,
Way, haul away, we'll haul away Joe.

Way, haul away, we'll haul away together, Way, haul away, we'll haul away Joe, Way, haul away, we'll haul for better weather, Way, haul away, we'll haul away Joe.

King Louis was the King of France
Before the Revolution,
Way, haul away, we'll haul away Joe,
King Louis got his head cut off
Which spoiled his constitution.

Way, haul away

Oh the cook is in the galley
Making duff so handy
Way, haul away, we'll haul away Joe,
And the captain's in his cabin
Drinkin' wine and brandy
Way, haul away, we'll haul away Joe.

SOUTH AUSTRALIA

In South Australia I was born
Heave away! Haul away!
South Australia round Cape Horn
We're bound for South Australia

Heave away you rolling king Heave away! Haul away! Heave away, oh, hear me sing We're bound for South Australia

There ain't but one thing grieves my mind
Heave away! Haul away!
To leave Miss Nancy Blair behind
We're bound for South Australia

And as we wallop round Cape Horn
Heave away! Haul away!
We'll wish to god we'd never been born
We're bound for South Australia

And now I'm on some foreign strand Heave away! Haul away! With a bottle of whiskey in my hand We're bound for South Australia

BECAUSE HE WAS A BONNY LAD

I'LL TELL ME MA

I'll tell me ma when I go home
The boys won't leave the girls alone
They pull my hair, and they steal my comb
But that's all right till I go home
She is handsome, she is pretty
She is the belle of Belfast city
She is courtin' one, two, three
Please, won't you tell me, who is he?

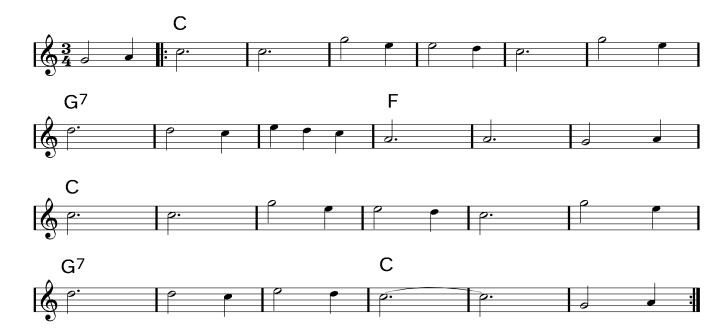

Albert Mooney says he loves her
All the boys are fighting for her
Knock at the door and ring the bell
Sayin', oh my true love, are you well?
Out she comes as white as snow
Rings on her fingers, and bells on her toes
Old Jenny Murray says she'll die
If she doesn't get the fellow with the roving eye

Chorus

Let the wind and the rain and the hail blow high
And the snow come tumbling from the sky
She's as nice as apple pie
She'll get her own lad by and by
When she gets a lad of her own
She won't tell her ma when she comes home
Let them all come as they will
For it's Albert Mooney she loves still

Chorus

MINGULAY BOAT SONG

Chorus

Heel yo ho, boys; let her go, boys; Swing her head round, and all together. Heel you ho, boys; let her go boys, Sailing homeward to Mingulay.

What care we though white the Minch is?
What care we for wind or weather?
Pull her round boys! Every inch is
Heading homeward, to Mingulay.

Chorus

When the wind is wild with shouting
And the waves mount ever higher
Anxious eyes turn ever seaward
To see us home, boys, to Mingulay
Chorus

Wives are waiting by the harbour,
Looking seaward from the heather;
Heave her head round and we'll anchor,
Ere the sun sets on Mingulay.

Chorus
